

Nissan Forklift

Nissan takes immense delight in reaching total client satisfaction, when their consumer is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality values to their clients. Incorporating a rich heritage combined with strong processing principals, Nissan Forklifts supply many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the company has four separate production facilities that permit them to continually adapt to their consumers continually evolving wishes by providing an array of progressive ideas and designs.

The Nissan Lift truck North and South American base is stationed in Marengo, Illinois. A devoted team of 350 personnel is committed to the cooperation, design and manufacture of their goods. Operating under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to sustain environmental responsibility by utilizing methods that reduce the worldwide influence of their goods and processes. These high standards remind clients that Nissan operates under the quality seal that their consumers command whilst being an environmentally aware corporation.

Nissan is quite convinced that any of their consumers queries and client worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally endorsed sellers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
